

## *Aftercare Advice for Lash Lifts*

- Do not apply mascara for 24 hours.
- Do not get your eyes wet or go swimming for 24 hours.
- Do not rub your eyes for 24 hours.
- Avoid heat treatments such as sauna/steam etc for 24 hours.
- Do not apply any creams or products to the eye area for 24 hours.
- Do not put your contact lenses back in for 24 hours.
- Please note that lash lifts take 24 hours to fully take so it is really important to follow the above advice.
